

The "it's almost spring" Edition

Have any of these in your gardens? Yes, it's still winter, but the warmer February has led to some confused flowers. With March arriving we have the feeling of renewal that spring always brings as we look forward to Easter and the celebration of Christ's promised resurrection.

How are you doing with feeling renewed?

Lamentations 3: 22-23 reminds us: "The Lord's lovingkindnesses indeed never cease, His compassions never fail. They are new EVERY morning; Great is Your faithfulness".

That's EVERY morning friends!! We trust you are drawing on Him regardless of your circumstances.

The Women's Ministry Team rang in the new year with our biggest SoupNight yet. We SHARED soup and a fun evening with 98 women. There was lots of laughter with our guest speaker Rhonda. You can imagine how loud it was! Thanks to the many hands that made our work light.

SHARING our talents ->

Craft Saturdays have officially evolved into C4C (creating for Christ)

We have watched this ministry grow as Laurel Niemi accepted the challenge to create children's clothes for children in Malawi (Africa). As of this newsletter, the team of many has created a grand total of 33 boy's shirts, and 72 girl's dresses!

Peter and Diane Whitman are traveling to Malawi this week to deliver them in person. We can't wait to hear about their trip!

Ready for the next project, Laura!
