

August 2019 edition

Our Women's Ministry Team has reflected on the past year, and we are filled with so much gratitude for the amazing ways God has led our steps. We learned so much this year about Hope; hope from what He's done in the past, how He helps us to live in the present, and the hope we have for the future.

If you were not able to be at our events, you can hear our impactful guest speakers by logging onto the FBCN website as follows:

We trust you are all enjoying this wonderful summer. So many of our church family were involved in the recent Vacation Bible School ministry. We hosted the Brazil team on site again and they brought their usual brand of energy and enthusiasm in partnering with us to deliver an amazing ministry to multiple children and teens.

As we prepare for the inevitable end of summer, our team has again sought the Lord's direction for our ministry with women in the coming year.

- We will be following the theme: **"You CAN Thrive"**
- Our theme verse is: *"The Lord God is my strength, and He has made my feet like hind's feet, And makes me walk on my high places"* (Habakkuk 3: 19)
- Our kick-off event is scheduled for **Saturday, Sept 14th**
- The time is **9AM – 11AM**

What can you expect? You can learn from our team of specialists as we start to explore the topic of Thriving, not just Surviving. Not to be missed!

We are also praying for each woman to consider where they might use their unique gifts and talents in our ministry this year. Please reach out to any team member as listed at the end of this newsletter. We'd LOVE to hear from you!
