Women's Ministries at First Baptist Narragansett

Greetings from our team:

We are finally seeing some light at the end of the quarantine tunnel !! It was great to see friends as we met at church this past Sunday for the first time in 3 months. Although it's only "Phase 2 Opening" in Rhode Island, it feels like a 'Get-Out-Of-Jail-Free' card has been given to us. With continuing to take the recommended precautions, we can start to get together cautiously with others. We applaud the many folks who have been doing double-duty by working from home while also teaching their children at home. You have earned your break.

Regardless of your individual circumstances, we trust you've been able to "Thrive" during the recent months. It was wonderful to see so many on Wednesdays for our timely Bible study. If you were not able to join in, here's what you missed:

Understanding that life will be different this summer, and with many asking for weekly Bible studies to continue, we are announcing the start of our summer series: "Bad Girls of the Bible....and What we can Learn from Them". It will begin next Wednesday 6/17 at 7PM.

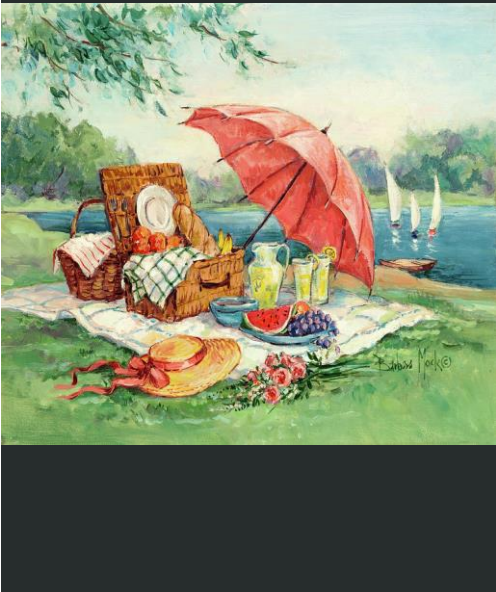

The Zoom link as follows: <https://us02web.zoom.us/j/88028724410>

If you would like to purchase the book we will be using, ChristianBook.com lists it for \$5.99. The author is Liz Curtis Higgs. You do not have to purchase the book to attend the study.

The study will run for 10 weeks through August 19th and I will be joined by my co-teacher, the amazing Cheryl B!

We will send out a reminder email that you can use as a reminder or to forward and invite others to join. There are plenty of Zoom boxes available!

**Have a great
summer everyone!
BRING IT ON !!**

We also had a great time at our **Girls Night IN** back in May. There were many laughs to be had and a great closer by Cheryl B on the significance of “but God...” Thanks Cheryl for reminding us that when things get difficult, confusing, or just plain hard....we can always count on God to stand with us.

Here’s a few of our folks during the hat competition....

Stay tuned...

we may just have a few tricks up our sleeves for the summer.

Our next year’s theme and schedule is under development. Like so many others, we are not sure what limitations there will be on meeting together. However, we WILL be moving ahead none-the-less.

The Lord is definitely leading us in one clear direction that will happen regardless of format or venue.

More information to come in our next newsletter.
