Women's Ministries at First Baptist Narragansett

Spring has arrived!!! We finally made it past winter; the days are stretching out longer each week. And who doesn't love the explosions of color in the flower beds? That picture of rebirth faithfully returns each year, reminding us of the constancy we have in Christ. As we look forward to Easter and rejoicing in His resurrection, we also acknowledge the tremendous sacrifice that was made for each one of us.

As previously announced, our 2023 theme is "TAKE THE LEAP". We are praying that you are all staying open to the Lord's leading as you look for opportunities to use your gifts and talents to serve Him. We have a broad mission field in our local communities to reach for Christ. He is not willing for any to perish and we should all feel the weight of that.

I'll give a Shout-Out to our annual Vacation Bible School in July. There are multiple ways to serve through this important outreach ministry. As the opportunities open up, prayerfully consider where you will join the team. As we've been learning through Pastor Caleb's ministry...God's love inspires us, indwells us, motivates us, obligates us, and is perfected in us to then love and serve others. (1 John 4).

Our Bible study in 1st & 2nd Peter is in week 5 (of 13). We are learning lots about being called for a purpose. Various aspects of 'being called' are being discussed each week as we work through these great books. It's never too late to join (Wednesdays at 7-830P at the church....or zoom link available). Call Karen with any questions.

NOW....drum roll please.....
